CHEE AFFILIATES & FELLOWS PROGRAM

The Center for Higher Education Enterprise (CHEE) is an interdisciplinary research center that promotes the important role postsecondary education plays in global society; especially the vital roles and responsibilities of public, land-grant universities. CHEE primary activities include research and outreach aimed at ensuring student success by increasing access, restoring affordability, fostering engagement, and achieving inclusive excellence.

As part of our commitment to research, engaged scholarship, and academic outreach, we are excited to announce our newly revised Affiliates and Fellows (A&F) Program. Our A&F program is designed to connect and engage a network of scholars conducting high-quality social science research on student success to other researchers, scholar-practitioners, and decision makers. CHEE Affiliates and Fellows represent a diverse group of emerging, midcareer, and senior scholars and thinkers, whose interests align with CHEE’s commitment to creating and disseminating distinctive research that informs policy, strengthens communities, and enables student success.

PROGRAM BENEFITS:
- Membership within a supportive community of practice committed to ensuring student success
- Eligibility to apply for seed grants to support student success research
- A $500 annual stipend for research purposes
- Opportunities to collaborate on mutually beneficial research projects and grants, scholarly publications, and outreach programs
- Opportunity to request special access to CHEE data for scholarly purposes
- Professional biographical statement and photo included on CHEE’s website and promotional materials
- Share your scholarly work and publications with CHEE’s network via the Center’s print, visual, electronic, and social media channels
- Special invitations to participate in private meetings, trainings, and featured speakers

EXPECTATIONS:
- Agree to serve a 2-year term appointment
- Be willing to support the work of CHEE in at least ONE way annually (e.g., expert reviewer, blog, newsletter column, serve on panel, attend event, financial support)

ELIGIBILITY:
- Tenured/Tenure-track faculty members
  or
- Administrators at research universities or in research-related positions
  and
- Earned doctorate degree (or other terminal degree) from an accredited college/university

APPLICATION PROCESS:
Applications must be submitted by February 1st to chee@osu.edu comprised of the following:
- Curriculum Vitae
- Cover Letter highlighting scholarly research interests and commitments to student success related research
- Paragraph conveying interest and why you would like to participate in the program

Include “CHEE Affiliates and Fellows Program” in the subject line of the email. For questions, please contact: Brittney Paxton, Paxton.114@osu.edu
